

SCT Thomas C. Chalmers Student Scholarship

Submit your application by November 17, 2023

For more information, please click [here](#).

Who is Eligible

Students currently enrolled in a graduate degree program (Masters, PhD, or DrPH) of an accredited college or university, or post-doctoral fellows (2 years from completing their PhD/DrPH). **Previous finalists are not eligible.**

Appropriate Topics for Submission

All clinical trial-related issues including (but not restricted to) study design and data analysis methods; meta-analysis; medical, ethical or legal issues in clinical trials; diversity and inclusion in clinical trials; data entry, management, monitoring, sharing, informatics, software development, and computing as it relates to clinical trials; review of the results or methods of a class of trials; or scholarship in the history of clinical trials. Important papers illustrating applications of novel methodology in clinical trials are particularly encouraged.

Application Requirements

- Applicant must be first author on manuscript.
- At the time of submission, the manuscript should not be published or accepted for publication in a peer-reviewed journal.
- Applicant must be willing to attend the SCT 2024 meeting in Boston, MA (May 19-22) to present the paper if selected as a finalist.
- **Important Note:** All who are invited to participate in the program as Session Organizers, Session Chairs, Moderators, Presenters/Speakers, Discussants, Panelists, Oral/Poster Presenters, etc. are required to register for the meeting and pay all applicable fees, attend the meeting in-person to present, and make their own travel and housing arrangements paying all expenses on their own. If your submission is accepted for inclusion in the program, the Primary Contact/Author will receive a form to read, acknowledge, and agree to the terms in formally accepting the invitation to present at the meeting.

Submissions Should Include

- An abstract of maximum 500 words.
- A short manuscript of maximum 3500 words (with the total word count included on the first page), not including title, author names, tables/figures or bibliography; the total number of figures and tables is limited to 4.
- A letter from the student's advisor/mentor or department chair confirming status as a student enrolled in a graduate degree program or post-doctoral fellow at the time of submission.
- The manuscript and letter should be uploaded as a single (zipped) file in the submission portal.
- You must indicate whether or not you would like your submission to be considered for a poster presentation if you are not selected as a finalist.

How to Apply

- Visit the online submission form by clicking [here](#).

**NOTE: Each candidate can only submit one entry.
However, candidates can be co-authors (not first author) on other entries.**

What the Three Finalists and One Winner Receive:

Three students will be designated Thomas C. Chalmers Student Scholarship Finalists and will receive complimentary meeting registration (except for optional ticketed courses/events), travel and hotel expenses to present their papers at the SCT annual meeting Boston, MA in May 2024. The three finalists present their papers at the meeting. The winner will then be selected by the SCT Student Scholarship Committee and be presented the Thomas C. Chalmers Student Scholarship Award in addition to a \$500 cash prize and one-year SCT membership.

Who is Eligible

Physicians, dentists, or other health professionals who are engaged as investigators or co-investigators in clinical trials or epidemiology projects. Previous recipients are not eligible.

Appropriate Topics for Submission

All clinical trial-related issues such as study design and data analysis methods; meta-analysis; medical, ethical, or legal issues in clinical trials; diversity and inclusion in clinical trials; data entry, management, monitoring, sharing, informatics, and computing as it relates to clinical trials; review of the results or methods of a class of trials; or scholarship in the history of clinical trials. Important papers illustrating applications are particularly encouraged.

Application Requirements

- Applicant must be first author on manuscript.
- At the time of submission, the manuscript should not be published or accepted for publication in a peer-reviewed journal.
- Applicant must be willing to attend SCT 2024 meeting in Boston, MA (May 19-22) to present the paper if selected as the winner of this award.
- **Important Note:** All who are invited to participate in the program as Session Organizers, Session Chairs, Moderators, Presenters/Speakers, Discussants, Panelists, Oral/Poster Presenters, etc. are required to register for the meeting and pay all applicable fees, attend the meeting in-person to present, and make their own travel and housing arrangements paying all expenses on their own. If your submission is accepted for inclusion in the program, the Primary Contact/Author will receive a form to read, acknowledge, and agree to the terms in formally accepting the invitation to present at the meeting.

Submissions Should Include

- An abstract of maximum 500 words.
- A short manuscript of maximum 1000 words (with the total word count included on the first page), not including title, author names, table/figure or bibliography; limit to only 1 table or figure. Preliminary results of the study should be included in the summary where applicable.
- The manuscript should be uploaded as a separate file on the submission portal.
- Indicate your credentials for eligibility.
- You must indicate whether or not you would like your submission to be considered for a poster presentation if you are not selected as the recipient of this award.

How to Apply
